Sir,

In reply to your docket No. 7 dated 1st July 1902, returning the estimate for reconstructing the temple of Ranganatha Devaru at Anandapur, Sagar Taluk, for report on certain points I have the honour to state that the temple in question has been endowed with inam lands to the extent of 6a 3q 9v assessed

assessed at Rs. 172/- as par-
ticularised in the margin. It
also receives a cash inam -
(Inalnad) of Rs 1.7-a per annum.
The temple is an important
one, and though it has a
large number of devotees,
it is reported that they
are not in a position to
contribute either a moiety
or any portion of the estimat-
ed cost, as they are said
to be of limited means -
generally. An attempt was
however made to raise
a fund from the devotees
which resulted in the -
collection of a small sum

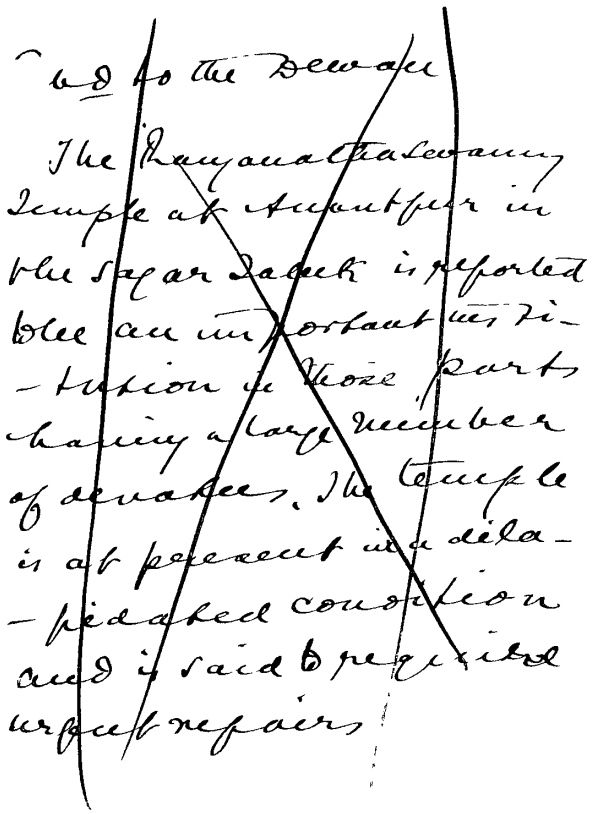
of

of Rs 13/-. This has been included in Rupees 933-12-7 available at the credit of the institution.

2. The temple being in a dilapidated state, I request that sanction of Government may be kindly obtained for the estimate as already recommended. The estimate is resubmitted herewith.

I have the honour to be,
Sir,
Your most obedient servant.

Deputy Commissioner,
Vizagapatam district.



Submitted to the Dewan

The Ramanathaswamy Temple at Rameshwaram in the Sapar Zaheer is reported to be an important institution in those parts having a large number of devotees. The temple is at present in a dilapidated condition and is said to require urgent repairs.

The estimate may be reduced to the limit of the sum available at the credit of the temple and resubmitted for sanction. Dr.
